

The image shows a close-up of a book cover made from a light-colored, textured fabric. The cover is decorated with hand-embroidered designs. On the left side, there is a large sun with a dark center and radiating lines. Below the sun, there are two blue, insect-like creatures with multiple legs and antennae. The entire design is framed by a green border. The text 'HANDMADE STORIES 4' is printed in a bold, black, sans-serif font on the right side of the cover. Below the number '4', the title 'THE SUN & THE MOON' is written in a smaller, black, sans-serif font.
